STAINS

Stains a poetry book written by Miss Gayatri Gauns published on Wattpad an open writing and reading community. The book is a collection of short poems loosely based on mundane words often given as prompts to the poet about everyday life. This project is very close to my heart as I closely worked with the poet to make illustrations of here poems , The book cover and the aesthetic style. Here are some of those designs.

You shook my heart
took me part by part

sent you letters

when you went,
yet you never paid my

01 About Us

ABSENCE

- 5.1 Four days leaves are allowed in 2 months (industry standard is 1.5 to 175 leaves per month and even 0 leaves are provided by some organizations in an internship). Condition: Prior approval to be taken from lead.
- 5.2 If additional medical leave is taken then the last day of the internship will extend by the same number of days as the number of leaves. Condition: Approval post medical leave to be taken from lead with supporting documents.
- 5.3 Every day when the work is done and the meeting is attended is counted as a full day.
work+meeting= 1 day
An output of minimum 3 hours of work per day = 1 day of work.
- 5.4 In case of an uninformd leave the last day of the internship will be extended by days twice the number of leaves taken.
- 5.5 If the number of leaves are over twenty in the initial sixty days of internship, the internship of the defaulter stands disqualified and no certificate of completion to him/her will be issued, unless the Lead of the team and HR approves.
